

SIMATIC DP, Connection module for PROFIBUS interface module ET 200 PRO;  
Direct connection, integrated address setter and terminating resistor for  
PROFIBUS DP

| Accessories          |                                                                                |
|----------------------|--------------------------------------------------------------------------------|
| Function description | Terminal module direct: PROFIBUS DP and 24 V power; up to 6 x M20 cable glands |
| belongs to product   | ET 200pro; IM154-1/2 DP                                                        |
| Dimensions           |                                                                                |
| Width                | 90 mm                                                                          |
| Height               | 130 mm                                                                         |
| Depth                | 100 mm                                                                         |
| Weights              |                                                                                |
| Weight, approx.      | 292 g                                                                          |
