

Color Ring for European-Style Insert, 22.5 x 45 mm, Black, TAA

MODEL NUMBER: **N042E-WHMR**

Fits around European-type modules to highlight your installation.

Features

Black Color Ring Helps Complete Your In-Wall Network Connection

This European-style color ring fits snugly around a compatible wall module to highlight your cable installation. A comfortable fit for home or office audio/video, VoIP phone and Ethernet applications, just to name a few, the black ring is easy to install. It is compatible with N042E-WHM0, N042E-WHM1-S and N042E-WHM-C1 models.

High-Impact Construction Designed to Blend In Seamlessly with Your Room

This black color ring measures 22.5 x 45 millimeters and blends elegantly into any home or office décor for a sleek, professional installation. The polycarbonate construction meets UL 94V-0 flame-retardant standards for protection against fire and high heat.

Highlights

- Ideal for home/office audio/video, VoIP or Ethernet in-wall wiring installations
- High-impact plastic construction designed to blend in with your home/office décor
- Black ring measures 22.5 x 45 mm for a sleek, professional appearance
